

Michaud et al. [ICSME'16]

Repositories	40
Total Commits	1,285,267
Total Merges	125,185
Identified Origins	1,219,419

Merge Operations

`git merge`

`git rebase`

`git cherry-pick`

- Some produce an **explicit** merge (merge commit is created by git)
- Others produce an **implicit** merge (merge commit is not created; undetectable)
